But as sensible citizens of the country let's stay home, for us, our families and society.

We want to take this opportunity to convey our heartfelt thanks and gratitude to our government, medical health fraternity, law makers, police force, BBMP, supermarkets, vegetable vendors, medical shops to each and every single person who is working now when we are home to keep our lives simple, safe and going" **You truly are our heroes**" Thank You and God Bless Every One Of You And Your Families.
